My dear Mr Lorimer

In my haste to answer your letter the other day, I failed to thank you for your good wishes with respect to my brothers portraits. I have for years been endeavouring to obtain photographs of the originals; but strange to say, I have never received more than promises. I sincerely hope you will be more fortunate.

The shocks continue, and have been felt on the coast of Valencia; but have hitherto done no damage there.

This is a most distressing state of things, worse than cholera, inundations, dynamite, or any horrors one can possibly imagine.

I enclose the Certificate and a note for Mrs Hudgate which I shall be much obliged, if you can find time to present about the middle of the month.

Have the goodness to
deduct the subscription
for the Pall Mall Budget

I remain

Yours very sincerely
